INTRODUCTORY NOTE AND FREQUENTLY USED TERMS

On August 11, 2021, Legacy Surrozen, Surrozen and Merger Sub (see the section below titled “*Frequently Used Terms*” for the meaning of certain capitalized words) consummated the transactions contemplated by the Business Combination Agreement. Prior to the Closing Date, Consonance (i) changed its jurisdiction of incorporation from Cayman Islands to the State of Delaware by deregistering as an exempted company in the Cayman Islands and domesticating and continuing as a corporation incorporated under the laws of the State of Delaware, and (ii) changed its name from Consonance-HFW Acquisition Corp. to Surrozen, Inc., thereafter referred to as Surrozen. Pursuant to the terms of the Business Combination Agreement, a business combination of Legacy Surrozen and Surrozen was effected through the merger of Legacy Surrozen with and into Merger Sub, with Legacy Surrozen surviving as a wholly-owned subsidiary of Surrozen.

At the time of the Merger on the Closing Date (i) each share and vested equity award of Legacy Surrozen that was outstanding immediately prior to the Merger was exchanged for shares of common stock of Surrozen, par value \$0.0001 per share (“Common Stock” or “common stock”), or comparable vested equity awards that are settled or are exercisable for shares of Common Stock, as applicable, based on an exchange ratio of 0.175648535, and (ii) all unvested equity awards of Legacy Surrozen were exchanged for comparable unvested equity awards that are settled or exercisable for shares of Common Stock, as applicable, determined based on the same exchange ratio. All issued and outstanding common stock, redeemable convertible preferred stock and stock awards of Legacy Surrozen and per share amounts contained in this proxy statement (“Proxy Statement”) and the Annual Report on Form 10-K for the year ended December 31, 2022 (“Annual Report” and together with the Proxy Statement, the “proxy materials”) and relating share amounts in periods prior to the Closing Date have been retroactively restated to reflect the exchange ratio established in the Business Combination. See Note 3, “*Recapitalization*” of the Annual Report for additional details.

PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 18, 2023

This Proxy Statement and our Annual Report are being furnished by and on behalf of the Company's board of directors (the "Board" or "Board of Directors") in connection with our Annual Meeting. The Notice of Annual Meeting and this Proxy Statement are first being distributed or made available, as the case may be, on or about April 6, 2023.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

When and where will the Annual Meeting be held?

The Annual Meeting will be held on Thursday, May 18, 2023 at 10:00 a.m., Pacific Time. The Annual Meeting will be a completely virtual meeting, which will be conducted via live webcast. You will be able to attend the Annual Meeting online and submit your questions during the meeting by visiting www.virtualshareholdermeeting.com/SRZN2023 and entering your 16-digit control number included on your proxy card or on the instructions that accompanied your proxy materials. To attend and participate in the Annual Meeting, you will need the 16-digit control number included on your proxy card or on the instructions that accompanied your proxy materials. If your shares are held in "street name," you should contact your bank or broker to obtain your 16-digit control number or otherwise vote through the bank or broker. If you lose your 16-digit control number, you may join the Annual Meeting as a "Guest" but you will not be able to vote, ask questions or access the list of stockholders as of the close of business on March 20, 2023 (the "Record Date"). We encourage you to access the meeting prior to the start time. Online check-in will begin at 10:45 a.m., Pacific Time, and you should allow ample time for the check-in procedures.

What are the purposes of the Annual Meeting?

The purpose of the Annual Meeting is to vote on the following items described in this Proxy Statement:

- Proposal No. 1: Election of the three director nominees listed in this Proxy Statement.
- Proposal No. 2: Ratification of the appointment of Ernst & Young as our independent registered public accounting firm for 2023.

Are there any matters to be voted on at the Annual Meeting that are not included in this Proxy Statement?

At the date this Proxy Statement went to press, we did not know of any matters to be properly presented at the Annual Meeting other than those referred to in this Proxy Statement. If other matters are properly presented at the meeting or any adjournment or postponement thereof for consideration, and you are a stockholder of record and have submitted a proxy card, the persons named in your proxy card will have the discretion to vote on those matters for you.

What does it mean if I receive more than one set of proxy materials?

It means that your shares are held in more than one account at the transfer agent and/or with banks or brokers. Please vote all of your shares. To ensure that all of your shares are voted, for each set of proxy materials, please submit your proxy by phone, via the Internet, or by signing, dating and returning the enclosed proxy card in the enclosed envelope.

Who is entitled to vote at the Annual Meeting?

Holders of record of shares of our common stock as of the close of business on the Record Date will be entitled to notice of and to vote at the Annual Meeting and any continuation, postponement or adjournment thereof.

At the close of business on the Record Date, there were 30,079,441 shares of our common stock issued and outstanding and entitled to vote. Each share of our common stock is entitled to one vote on any matter presented to stockholders at the Annual Meeting. You will need to obtain your own Internet access if you choose to attend the Annual Meeting online and/or vote over the Internet.

What is the difference between being a "record holder" and holding shares in "street name"?

A record holder (also called a "registered holder") holds shares in his or her name. Shares held in "street name" means that shares are held in the name of a bank, broker or other nominee on the holder's behalf.

What do I do if my shares are held in “street name”?

If your shares are held in a brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in “street name.” The proxy materials have been forwarded to you by your broker, bank or other nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by following their instructions for voting. Please refer to information from your bank, broker or other nominee on how to submit your voting instructions.

How many shares must be present to hold the Annual Meeting?

A quorum must be present at the Annual Meeting for any business to be conducted. The holders of a majority in voting power of the Company’s capital stock issued and outstanding and entitled to vote, present electronically or represented by proxy constitutes a quorum. If you sign and return your paper proxy card or authorize a proxy to vote electronically or telephonically, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated in the proxy materials.

Broker non-votes will also be considered present for the purpose of determining whether there is a quorum for the Annual Meeting.

What are “broker non-votes”?

A “broker non-vote” occurs when shares held by a broker in “street name” for a beneficial owner are not voted with respect to a proposal because (1) the broker has not received voting instructions from the stockholder who beneficially owns the shares and (2) the broker lacks the authority to vote the shares at their discretion. Proposal No. 1 is considered a non-discretionary matter, and a broker will lack the authority to vote uninstructed shares at their discretion on such proposal. Proposal No. 2 is considered a discretionary matter, and a broker will be permitted to exercise its discretion to vote uninstructed shares on this proposal.

What if a quorum is not present at the Annual Meeting?

If a quorum is not present or represented at the scheduled time of the Annual Meeting, (i) the chairperson of the Annual Meeting or (ii) a majority in voting power of the stockholders entitled to vote at the Annual Meeting, present electronically or represented by proxy, may adjourn the Annual Meeting until a quorum is present or represented.

How do I vote my shares without attending the Annual Meeting?

We recommend that stockholders vote by proxy even if they plan to attend the Annual Meeting and vote electronically. If you are a stockholder of record, there are three ways to vote by proxy:

- by Telephone – You can vote by telephone by calling 1-800-690-6903 and following the instructions on the proxy card;
- by Internet – You can vote over the Internet at www.proxyvote.com by following the instructions on the proxy card; or
- by Mail – You can vote by mail by signing, dating and mailing the proxy card.

Telephone and Internet voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 17, 2023.

If your shares are held in the name of a bank, broker or other holder of record, you will receive instructions on how to vote from the bank, broker or holder of record. You must follow the instructions of such bank, broker or holder of record in order for your shares to be voted.

How can I attend and vote at the Annual Meeting?

We will be hosting the Annual Meeting live via audio webcast. Any stockholder can attend the Annual Meeting live online at www.virtualshareholdermeeting.com/SRZN2023. If you were a stockholder as of the Record Date, or you hold a valid proxy for the Annual Meeting, you can vote at the Annual Meeting. A summary of the information you need to attend the Annual Meeting online is provided below:

- Instructions on how to attend and participate via the Internet, including how to demonstrate proof of stock ownership, are posted at www.virtualshareholdermeeting.com/SRZN2023.
- Assistance with questions regarding how to attend and participate via the Internet will be provided at www.virtualshareholdermeeting.com/SRZN2023 on the day of the Annual Meeting.
- Webcast starts at 10:00 a.m., Pacific Time.
- You will need your 16-Digit Control Number to enter the Annual Meeting.

- Stockholders may submit questions while attending the Annual Meeting via the Internet.

To attend and participate in the Annual Meeting, you will need the 16-digit control number included on your proxy card or on the instructions that accompanied your proxy materials. If your shares are held in “street name,” you should contact your bank or broker to obtain your 16-digit control number or otherwise vote through the bank or broker. If you lose your 16-digit control number, you may join the Annual Meeting as a “Guest” but you will not be able to vote, ask questions or access the list of stockholders as of the Record Date.

What if during the check-in time or during the Annual Meeting I have technical difficulties or trouble accessing the virtual meeting website?

We will have technicians ready to assist you with any technical difficulties you may have accessing the virtual meeting website. If you encounter any difficulties accessing the virtual meeting website during the check-in or meeting time, please call the technical support number that will be posted on the Annual Meeting login page.

How does the Board recommend that I vote?

The Board recommends that you vote:

- FOR the nominees to the Board set forth in this Proxy Statement.
- FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2023.

How many votes are required to approve each proposal?

The table below summarizes the proposals that will be voted on, the vote required to approve each item and how votes are counted:

Proposal	Votes Required	Voting Options	Impact of “Withhold” or “Abstain” Votes	Broker Discretionary Voting Allowed
Proposal No. 1: Election of Directors	The plurality of the votes cast. This means that the three nominees receiving the highest number of affirmative “FOR” votes will be elected as Class II directors.	“FOR ALL” “WITHHOLD ALL” “FOR ALL EXCEPT”	None ⁽¹⁾	No ⁽³⁾
Proposal No. 2: Ratification of Appointment of Independent Registered Public Accounting Firm	The affirmative vote of the holders of a majority in voting power of the votes cast affirmatively or negatively (excluding abstentions) at the Annual Meeting by the holders entitled to vote thereon.	“FOR” “AGAINST” “ABSTAIN”	None ⁽²⁾	Yes ⁽⁴⁾

(1) Votes that are “withheld” will have the same effect as an abstention and will not count as a vote “FOR” or “AGAINST” a director, because directors are elected by plurality voting.

(2) A vote marked as an “Abstention” is not considered a vote cast and will, therefore, not affect the outcome of this proposal.

(3) As this proposal is not considered a discretionary matter, brokers lack authority to exercise their discretion to vote uninstructed shares on this proposal.

(4) As this proposal is considered a discretionary matter, brokers are permitted to exercise their discretion to vote uninstructed shares on this proposal.

What if I do not specify how my shares are to be voted?

If you submit a proxy but do not indicate any voting instructions, the persons named as proxies will vote in accordance with the recommendations of the Board. The Board’s recommendations are set forth above, as well as with the description of each proposal in this Proxy Statement.

Who will count the votes?

Representatives of Broadridge Investor Communications Services (“Broadridge”) will tabulate the votes.

Can I revoke or change my vote after I submit my proxy?

Yes. Whether you have voted by Internet, telephone or mail, if you are a stockholder of record, you may change your vote and revoke your proxy by:

- sending a written statement to that effect to the attention of our Corporate Secretary at our corporate offices, provided such statement is received no later than May 17, 2023;
- voting again by Internet or telephone at a later time before the closing of those voting facilities at 11:59 p.m., Eastern Time, on May 17, 2023;
- submitting a properly signed proxy card with a later date that is received no later than May 17, 2023; or
- attending the Annual Meeting, revoking your proxy and voting again.

If you hold shares in street name, you may submit new voting instructions by contacting your bank, broker or other nominee. You may also change your vote or revoke your proxy online at the Annual Meeting if you obtain a signed proxy from the record holder (broker, bank or other nominee) giving you the right to vote the shares.

Your most recent proxy card or telephone or Internet proxy is the one that is counted. Your attendance at the Annual Meeting by itself will not revoke your proxy unless you give written notice of revocation to the Company before your proxy is voted or you vote online at the Annual Meeting.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees (for no additional compensation) in person or by telephone, electronic transmission and facsimile transmission. Brokers and other nominees will be requested to solicit proxies or authorizations from beneficial owners and will be reimbursed for their reasonable expenses.

Why hold a virtual meeting?

We wish to continue using the latest technology to provide expanded access, improved communication and cost savings for our stockholders and the Company while providing stockholders the same rights and opportunities to participate as they would have at an in-person meeting. Furthermore, we believe that a virtual meeting enables increased stockholder attendance and participation because stockholders can participate from any location around the world.

Will I be able to ask questions at the Annual Meeting?

As part of the Annual Meeting, we will hold a live Q&A session, during which we intend to answer appropriate questions submitted during the meeting and that relate to the matters to be voted on. We intend to reserve up to 10 minutes before the closing of the polls to address questions submitted. Only stockholders that have accessed the Annual Meeting as a stockholder (rather than a “Guest”) by following the procedures outlined above in “*How can I attend and vote at the Annual Meeting?*” will be able to submit questions during the Annual Meeting. Additionally, our Annual Meeting will follow “Rules of Conduct,” which will be available on our Annual Meeting webpage for stockholders that have accessed the Annual Meeting as a stockholder (rather than a “Guest”). Under these Rules of Conduct, a stockholder may ask up to two questions, and we will not address questions that are, among other things:

- irrelevant to the business of the Company or to the business of the Annual Meeting;
- related to the status or conduct of our clinical trials beyond that which is contained in our prior public disclosures;
- related to material non-public information of the Company;
- related to personal grievances;
- derogatory references to individuals or that are otherwise in bad taste;
- substantially repetitious of statements already made by another stockholder;
- in furtherance of the stockholder’s personal or business interests; or
- out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chair of the Annual Meeting or the Secretary in their reasonable judgment.

Additional information regarding the Q&A session will be available in the “Rules of Conduct” available on the Annual Meeting webpage for stockholders that have accessed the Annual Meeting as a stockholder (rather than a “Guest”) by following the procedures outlined above in “*How can I attend and vote at the Annual Meeting?*”

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Board Size and Structure

Our certificate of incorporation, as currently in effect (“Certificate of Incorporation”) provides that the number of directors shall be fixed exclusively by resolutions adopted by a majority of the authorized number of directors. We currently have eight directors serving on the Board.

Our Certificate of Incorporation provides that the Board be divided into three classes, designated as Class I, Class II and Class III. Each class should consist, as nearly as may be possible, of one-third of the total number of directors constituting the entire Board. Each class of directors must stand for re-election no later than the third annual meeting of stockholders subsequent to their initial appointment or election to the Board, provided that the term of each director will continue until the election and qualification of his or her successor and is subject to his or her earlier death, resignation or removal. Generally, vacancies or newly created directorships on the Board will be filled only by vote of a majority of the directors then in office and will not be filled by the stockholders, unless the Board determines by resolution that any such vacancy or newly created directorship will be filled by the stockholders. A director appointed by the Board to fill a vacancy will hold office until the next election of the class for which such director was chosen, subject to the election and qualification of his or her successor and his or her earlier death, resignation or removal.

Current Directors and Terms

Our current directors and their respective classes and terms are set forth below.

Class I Director – Current Term Ending at 2025 Annual Meeting	Class II Director – Current Term Ending at 2023 Annual Meeting	Class III Director – Current Term Ending at 2024 Annual Meeting
Anna Berkenblit, M.D.	Shao-Lee Lin, M.D., Ph.D.	Christopher Y. Chai
Tim Kutzkey, Ph.D.	Mace Rothenberg, M.D.	Mary Haak-Frendscho, Ph.D.
Eric Bjerkholt	David J. Woodhouse, Ph.D.	Craig Parker

Nominees for Director

Dr. Lin, Dr. Rothenberg, and Dr. Woodhouse have been nominated by the Board to stand for election. As directors assigned to Class II, Dr. Lin’s, Dr. Rothenberg’s and Dr. Woodhouse’s current terms of service will expire at the Annual Meeting. If elected by the stockholders at the Annual Meeting, Dr. Lin, Dr. Rothenberg, and Dr. Woodhouse will each serve for a term expiring at our annual meeting of stockholders to be held in 2026 (the “2026 Annual Meeting”) and the election and qualification of their successors or until their earlier death, resignation or removal.

Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any of the nominees will be unable to serve. If, however, prior to the Annual Meeting, the Board of Directors should learn that a nominee will be unable to serve for any reason, the proxies that otherwise would have been voted for this nominee will be voted for a substitute nominee as selected by the Board. Alternatively, the proxies, at the Board’s discretion, may be voted for no nominees as a result of the inability of a nominee to serve. The Board has no reason to believe that any of the nominees will be unable to serve.

Information About Board Nominees and Continuing Directors

The following pages contain certain biographical information for each nominee for director and each director whose term as a director will continue after the Annual Meeting, including all positions he or she holds, his or her principal occupation and business experience for the past five years, and the names of other publicly-held companies of which the director or nominees currently serves as a director or has served as a director during the past five years.

PROPOSAL NO. 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**Appointment of Independent Registered Public Accounting Firm**

The audit committee appoints our independent registered public accounting firm. In this regard, the audit committee evaluates the qualifications, performance and independence of our independent registered public accounting firm and determines whether to re-engage our current firm. As part of its evaluation, the audit committee considers, among other factors, the quality and efficiency of the services provided by the firm, including the performance, technical expertise, industry knowledge and experience of the lead audit partner and the audit team assigned to our account; the overall strength and reputation of the firm; the firm's global capabilities relative to our business; and the firm's knowledge of our operations. Ernst & Young LLP has served as our independent registered public accounting firm since 2020. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors and providing audit and permissible non-audit related services. Upon consideration of these and other factors, the audit committee has appointed Ernst & Young LLP to serve as our independent registered public accounting firm for the year ending December 31, 2023.

Although ratification is not required by our amended and restated by-laws ("Bylaws") or otherwise, the Board is submitting the selection of Ernst & Young LLP to our stockholders for ratification because we value our stockholders' views on the Company's independent registered public accounting firm and it is a good corporate governance practice. If our stockholders do not ratify the selection, it will be considered as notice to the Board and the audit committee to consider the selection of a different firm. Even if the selection is ratified, the audit committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

We expect one or more representatives of Ernst & Young LLP to participate in the Annual Meeting and they will have an opportunity to make a statement if they so desire and be available to respond to appropriate questions from stockholders.

Auditor Independence

All services performed and related fees billed by Ernst & Young LLP during fiscal years 2022, 2021 and 2020 were pre-approved by the audit committee pursuant to the pre-approval policies and procedures discussed below.

Pre-Approval Policies and Procedures

The formal written charter for our audit committee requires that the audit committee pre-approve all audit services to be provided to us, whether provided by our independent registered public accounting firm (principal auditor) or other firms, and all other services (review, attest and non-audit) to be provided to us by our independent registered public accounting firm, other than *de minimis* non-audit services approved in accordance with applicable SEC rules.

Pursuant to the audit committee's charter, all engagements of our principal auditor to render any audit, audit-related, tax or permissible non-audit service, including the scope of the service and the compensation to be paid therefor, at the Company's expense, must be

pre-approved by the audit committee prior to the commencement of the service. Services performed by our independent registered public accounting firm may be pre-approved by the audit committee or by a designated member of the audit committee to whom the committee has delegated the authority to grant pre-approvals. Any member of the audit committee to whom the committee delegates authority to make pre-approval decisions must report any such pre-approval decisions to the audit committee at its next scheduled meeting. For any pre-approval of services, the audit committee will consider whether such services are consistent with the SEC's rules on auditor independence.

On an annual basis, the audit committee reviews and generally pre-approves the services (and related fee levels or budgeted amounts) that may be provided by our independent registered accounting firm without first obtaining specific pre-approval from the audit committee. The audit committee may revise the list of pre-approved services from time to time, based on subsequent determinations.

The above-described services provided to us by Ernst & Young LLP were provided in accordance with our pre-approval policies and procedures.

In the performance of its oversight function, the audit committee reviewed and discussed with management and Ernst & Young LLP, as the Company's independent registered public accounting firm, the Company's audited financial statements for the fiscal year ended December 31, 2022. The audit committee also discussed with the Company's independent registered public accounting firm the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (the "PCAOB") and the SEC. In addition, the audit committee received and reviewed the written disclosures and the letters from the Company's independent registered public accounting firm required by applicable requirements of the PCAOB, regarding such independent registered public accounting firm's communications with the audit committee concerning independence, and discussed with the Company's independent registered public accounting firm their independence from the Company.

Based upon the review and discussions described in the preceding paragraph, the audit committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2022 filed with the SEC.

Board Leadership Structure

Our Corporate Governance Guidelines provide our Board of Directors with flexibility to combine or separate the positions of Chairperson of the Board and Chief Executive Officer in accordance with its determination that having one or the other structure would be in the best interests of the Company and its stockholders.

The positions of our Chairperson of the Board and our Chief Executive Officer and President are currently served by two separate persons. Dr. Kutzkey serves as Chairperson of the Board, and Mr. Parker serves as our Chief Executive Officer and President.

The Board believes that our current leadership structure of Chief Executive Officer and Chairperson of the Board being held by two separate individuals is in the best interests of the Company and its stockholders and strikes the appropriate balance between the Chief Executive Officer and President’s responsibility for the strategic direction, day-to-day leadership and performance of our Company and the Chairperson of the Board’s responsibility to guide overall strategic direction of our Company and provide oversight of our corporate governance and guidance to our Chief Executive Officer and President and to set the agenda for and preside over Board meetings. We recognize that different leadership structures may be appropriate for companies in different situations and believe that no one structure is suitable for all companies. Accordingly, the Board will continue to periodically review our leadership structure and make such changes in the future as it deems appropriate and in the best interests of the Company and its stockholders.

Director Independence

Under our Corporate Governance Guidelines and the applicable Nasdaq Stock Market LLC (“Nasdaq”) rules (the “Nasdaq rules”), a director is not independent unless the Board affirmatively determines that he or she does not have a relationship with us that could compromise his or her ability to exercise independent judgement in carrying out his or her responsibilities as a director. In addition, the director must not be precluded from qualifying as independent under the per se bars set forth by the Nasdaq rules.

Our Board has undertaken a review of its composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our Board of Directors has determined that no director, except for Craig Parker, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of our directors, except for Craig Parker, has qualified as “independent” as that term is defined under the Nasdaq rules.

In making this determination, our Board of Directors considered the relationships that each non-employee director has with us and all other facts and circumstances our Board of Directors deemed relevant in determining their independence, including the director’s beneficial ownership of our common stock and the relationships of our non-employee directors with certain of our significant stockholders.

Board Committees

Our Board of Directors has three standing committees: an audit committee, a compensation committee, and a nominating and corporate governance committee, each of which has the composition and the responsibilities described below. In addition, from time to time, special committees may be established under the direction of our Board when necessary to address specific issues. Each of the audit committee, the compensation committee, and the nominating and corporate governance committee operates under a written charter.

The Equity Award Committee is responsible for reviewing and approving equity awards, subject to certain grant size and position level limitations. The Equity Award Committee may only grant awards to new hires and those who hold a position below the level of Vice President. No individual grantee may receive awards from the Equity Award Committee covering more than 25,000 shares of our common stock per calendar year.

Pursuant to the compensation committee’s charter, the compensation committee has the authority to retain or obtain the advice of compensation consultants, legal counsel and other advisors to assist in carrying out its responsibilities. Our nominating and corporate governance committee operates under a written charter that satisfies the applicable listing standards of Nasdaq.

Board and Board Committee Meetings and Attendance

During the fiscal year ended December 31, 2022, our Board of Directors met eleven times, the audit committee met six times, the compensation committee met six times, and the nominating and corporate governance committee met two times. During the fiscal year ended December 31, 2022, each incumbent director attended at least 70% of the aggregate of (i) all meetings of the Board of Directors and (ii) all meetings of the committees on which the director served, during the period in which he or she served as a director or committee member.

Executive Sessions

Executive sessions, which are meetings of the non-management members of the Board, are regularly scheduled throughout the year. In addition, at least twice a year, the independent directors meet in a private session that excludes management and any non-independent directors. At each of these meetings, the non-management and independent directors in attendance, as applicable, determine which member will preside at such session.

Director Attendance at Annual Meeting of Stockholders

We do not have a formal policy regarding the attendance of our Board members at our annual meetings of stockholders, but we expect all directors to make every effort to attend any meeting of stockholders.

Director Nominations Process

The nominating and corporate governance committee is responsible for recommending candidates to serve on the Board and its committees. In considering whether to recommend any particular candidate to serve on the Board or its committees or for inclusion in the Board's slate of recommended director nominees for election at the annual meeting of stockholders, the nominating and corporate governance committee considers the criteria set forth in our Corporate Governance Guidelines. Specifically, the nominating and corporate governance committee may take into account many factors, including: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; strong finance experience; relevant social policy concerns; experience relevant to the Company's industry; experience as a board member or executive officer of another publicly held company; relevant academic expertise or other proficiency in an area of the Company's operations; diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other Board members; diversity of background and perspective, including, but not limited to, with respect to age, gender, race, place of residence and specialized experience; practical and mature business judgment, including, but not limited to, the ability to make independent analytical inquiries; and any other relevant qualifications, attributes or skills. In determining whether to recommend a director for re-election, the nominating and corporate governance committee may also consider potential conflicts of interest with the candidates, other personal and professional pursuits, the director's past attendance at meetings and participation in and contributions to the activities of the Board.

We consider diversity, such as gender, race, ethnicity and membership of an underrepresented communities, among those meaningful factors in identifying and considering director nominees, but do not have a formal diversity policy. The Board evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that has the necessary tools to perform its oversight function effectively in light of the Company's business and structure.

In identifying prospective director candidates, the nominating and corporate governance committee may seek referrals from other members of the Board, management, stockholders and other sources, including third party recommendations. The nominating and corporate governance committee uses the same criteria for evaluating candidates regardless of the source of the referral or recommendation. When considering director candidates, the nominating and corporate governance committee seeks individuals with backgrounds and qualities that, when combined with those of our incumbent directors, provide a blend of skills and experience to further enhance the Board's effectiveness. In connection with its annual recommendation of a slate of nominees, the nominating and corporate governance committee also may assess the contributions of those directors recommended for re-election in the context of the Board evaluation process and other perceived needs of the Board.

Dr. Lin, Dr. Rothenberg, and Dr. Woodhouse, the director nominees to be elected at the Annual Meeting, were each initially recommended for reelection to our Board by other members of the Board and members of management.

In determining to nominate each director nominee at this Annual Meeting, the nominating and corporate governance committee and Board evaluated each nominee in accordance with our standard review process for director candidates in connection with a director's initial appointment and his or her nomination for election or re-election, as applicable, at the Annual Meeting.

When considering whether the directors and nominees have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board to satisfy its oversight responsibilities effectively in light of our business and structure, the Board focused primarily on the information discussed in each of the Board member's biographical information set forth above. We believe that our directors provide an appropriate mix of experience and skills relevant to the size and nature of our business. This process resulted in the Board's nomination of the incumbent directors named in this Proxy Statement and proposed for election by you at the Annual Meeting.

The nominating and corporate governance committee will consider director candidates recommended by stockholders, and such candidates will be considered and evaluated under the same criteria described above. Any recommendation submitted to the Company should be in writing and should include any supporting material the stockholder considers appropriate in support of that recommendation, but must include information that would be required under the rules of the SEC to be included in a proxy statement soliciting proxies for the election of such candidate and a written consent of the candidate to serve as one of our directors if elected and must otherwise comply with the requirements under our Bylaws for stockholders to recommend director nominees. Stockholders wishing to propose a candidate for consideration may do so by submitting the above information to the attention of our Corporate Secretary, Surrozen, Inc., 171 Oyster Point Blvd., Suite 400, South San Francisco, California 94080. All recommendations for director nominations received by our Corporate Secretary that satisfy our by-law requirements relating to such director nominations will be presented to the nominating and corporate governance committee for its consideration. Stockholders also must satisfy the notification, timeliness, consent and information requirements set forth in our Bylaws. These timing requirements are also described under the caption "*Stockholder Proposals and Director Nominations.*"

Board Diversity

Our Board of Directors believes that a diverse board is better able to effectively oversee our management and strategy, and position us to deliver long-term value for our stockholders. Our Board of Directors considers diversity, including gender and ethnic diversity, as adding to the overall mix of perspectives of our Board of Directors as a whole. With the assistance of the nominating and corporate

governance committee, our Board of Directors regularly reviews trends in board composition, including trends relating to director diversity.

The table below reports self-identified gender and demographic statistics for the Board, as constituted as of the Record Date, in the format adopted by Nasdaq.

Board Role in Risk Oversight

The Board of Directors has overall responsibility for risk oversight, including, as part of regular Board and committee meetings, general oversight of executives' management of risks relevant to the Company. A fundamental part of risk oversight is not only understanding the material risks a company faces and the steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the Board of Directors in reviewing our business strategy is an integral aspect of the Board's assessment of management's tolerance for risk and its determination of what constitutes an appropriate level of risk for the Company. While the full Board has overall responsibility for risk oversight, it is supported in this function by its audit committee, compensation committee and nominating and corporate governance committee. Each of the committees regularly reports to the Board.

The audit committee assists the Board in fulfilling its risk oversight responsibilities by periodically reviewing our accounting, reporting and financial practices, including the integrity of our financial statements, the surveillance of administrative and financial controls, our compliance with legal and regulatory requirements and our enterprise risk management program (including, without limitation, cybersecurity and data protection and, more recently, risk exposures related to the ongoing COVID-19 pandemic). Through its regular meetings with management, including the finance, legal, internal audit, tax, compliance, and information technology functions, the audit committee reviews and discusses significant areas of our business and summarizes for the Board areas of risk and the appropriate mitigating factors. The compensation committee assists the Board by overseeing and evaluating risks related to the Company's compensation structure and compensation programs, including the formulation, administration and regulatory compliance with respect to compensation matters, and coordinating, along with the Board's Chairperson, succession planning discussions. The nominating and corporate governance committee assists the Board by overseeing and evaluating programs and risks associated with

Board organization, membership and structure, and corporate governance. In addition, our Board receives periodic detailed operating performance reviews from management.

Committee Charters and Corporate Governance Guidelines

Our Corporate Governance Guidelines, charters of the audit committee, compensation committee and nominating and corporate governance committee and other corporate governance information are available under the Corporate Governance section of the Investors page of our website located at www.surrozen.com, or by writing to our Corporate Secretary at our offices at 171 Oyster Point Blvd., Suite 400, South San Francisco, California 94080.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics (the “Code of Conduct”) that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer or controller, or persons performing similar functions. Our Code of Conduct is available under the Corporate Governance section of the Investors page of our website at www.surrozen.com. In addition, we intend to post on our website all disclosures that are required by law or the Nasdaq rules concerning any amendments to, or waivers of, any provisions of our Code of Conduct.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires our executive officers and directors, and persons who own more than 10% of our common shares, to file reports regarding ownership of, and transactions in, our securities with the SEC and to provide us with copies of those filings.

We have reviewed all forms provided to us or filed with the SEC. Based on that review and on written information given to us by our executive officers and directors, we believe that all Section 16(a) filings during Fiscal Year 2022 were filed on a timely basis and that all directors, executive officers and 10% beneficial owners have fully complied with such requirements during the past fiscal year, other than reports on Form 4 filed by Wen-Chen Yeh on October 12, 2022, and by Charles Williams and Geertrui Vanhove on October 13, 2022, which were filed late.

Anti-Hedging Policy

Our Board of Directors has adopted an Insider Trading Policy, which applies to all of our directors, officers and employees. The policy prohibits our directors, officers and employees from engaging in short sales, transactions in put or call options, hedging transactions, margin accounts, pledges, or other inherently speculative transactions with respect to the Company’s stock at any time. All such transactions involving our equity securities, whether such securities were granted as compensation or are otherwise held, directly or indirectly, are prohibited.

Communications with the Board

Any stockholder or any other interested party who desires to communicate with our Board of Directors, our non-management directors or any specified individual director, may do so by directing such correspondence to the attention of our Corporate Secretary, Surrozen, Inc., 171 Oyster Point Blvd., Suite 400, South San Francisco, California 94080. Our Corporate Secretary will forward the communication to the appropriate director or directors as appropriate.

Narrative Disclosure to Summary Compensation Table

Employment Arrangements

We have entered into employment agreements or offer letters with each of our named executive officers setting forth the terms and conditions of such executive’s employment with us. The employment agreements or offer letters generally will provide for at-will employment and set forth the executive officer’s initial base salary. Each of our named executive officers has executed our standard confidential information and invention assignment agreement.

The compensation committee has also adopted severance terms whereby executive officers shall receive certain benefits if their employment is terminated without cause or in connection with a change-in-control of the Company. If terminated not-for-cause, the named executive officers will receive nine months base salary (12 months for Mr. Parker) and nine months of continued benefits (12 months for Mr. Parker) but no acceleration of equity vesting requirements. If terminated in connection with a change-in-control of the Company, i.e., at any time within the 12-month period beginning three months prior to the change-in-control, the named executive officers will receive 12 months base salary (18 months for Mr. Parker), 100% of their target bonus (1.5 times the target bonus for Mr. Parker), 12 months continuation of benefits (18 months for Mr. Parker) and acceleration of all existing equity vesting requirements.

Prior to the closing of the Business Combination, Consonance did not enter into any employment agreements with its executive officers and did not make any agreements to provide benefits upon termination of employment.

Non-Equity Incentive Plan Compensation

In addition to base salaries, our named executive officers are eligible to receive annual performance-based cash bonuses under our Annual Cash Bonus Plan, or Bonus Plan. The compensation committee established the Bonus Plan to incentivize our employees and reward them upon the achievement of corporate performance goals. With respect to the performance-based cash bonuses of the named executive officers for 2022 and 2021, the Bonus Plan targets the amount of the bonus at 50% of base salary for our chief executive officer and 40% for other executive officers.

Actual amounts paid under the Annual Cash Bonus Plan generally depend on the extent to which (i) we achieve our corporate performance goals, and (ii) the employee achieves his or her individual goals that were established at the beginning of the year. After the end of each year, the Board of Directors determines the level or percentage at which the Company has achieved its corporate goals for the past year and sets the corporate performance goals for the next year. Corporate performance goals include stretch goals that reflect our desired progress and outcomes relating to the development of our product candidates and adherence to established budgets.

When determining the actual payout amount of our chief executive officer's performance-based cash bonus for 2022 and 2021, the compensation committee weighted 100% of its decision on the extent to which the Company achieved its corporate performance goals. When determining the actual payout amount of the performance-based cash bonus for our other executives, the compensation committee weighted 50% of its decision on the Company's attainment of corporate performance goals and 50% on the attainment of individual performance goals.

For the fiscal year ended December 31, 2022, our board of directors determined that the Company had achieved 70% of its corporate performance goals, so Mr. Parker received 70% of his targeted bonus. Mr. Williams and Dr. Yeh approximately received 82.5% and 85% of their targeted bonus amounts, respectively, based on the 70% achievement of our 2022 corporate performance goals and 95% and 100% achievement of their personal goals, respectively.

For the fiscal year ended December 31, 2021, our Board of Directors determined that the Company had achieved 90% of its corporate performance goals, so Mr. Parker received 90% of his targeted bonus. Mr. Williams and Dr. Yeh received 94% and 90% of their targeted bonus amounts, respectively, based on our 90% achievement of our 2021 corporate performance goals and 98% and 90% achievement of their personal goals, respectively.

All performance-based cash bonuses are generally paid within a few months after the year to which they relate, upon final determination by the compensation committee. The performance-based cash bonuses paid to our named executive officers for the fiscal years ended December 31, 2022 and 2021, as determined by the compensation committee based on the guidelines above, are set forth above in the “*Summary Compensation Table*” in the column titled “*Non-Equity Incentive Plan Compensation*.”

Other Compensation and Benefits

Our named executive officers are eligible to participate in our employee benefit plans, including our 401(k) plan, medical, dental, vision, life, disability and accidental death and dismemberment insurance plans, in each case on the same basis as generally all of our other full-time exempt employees.

Our named executive officers did not participate in, or earn any benefits under, any nonqualified deferred compensation plan sponsored by us during the fiscal years ended December 31, 2022 and 2021. The Board may elect to provide our officers and other employees with nonqualified deferred compensation benefits in the future if it determines that doing so is in our best interests.

Stock Plans

Prior to August 12, 2021, grants of equity awards were provided to our named executive officers under our 2015 Equity Incentive Plan, or the 2015 Plan. On August 12, 2021, we adopted the Surrozen, Inc. 2021 Equity Incentive Plan, or the 2021 Plan, which replaces and supersedes the 2015 Plan, except with respect to awards previously granted. The 2021 Plan authorizes us to grant equity and cash incentive awards to officers, directors, employees, and eligible service providers. A description of our stock plans can be found in Note 12 “*Stock-Based Compensation Plan*” of the consolidated financial statements in the Annual Report.

Option Exchange

In October 2022, our compensation committee authorized and approved a stock option exchange whereby the outstanding stock options, including vested and unvested options, with an exercise price of \$5.00 per share and above held by current employees, including our named executive officers were exchanged for stock options on, a one-for-one basis, with an exercise price at the current market price on the date of the exchange, \$2.16 per share (the “Option Exchange”). The vesting terms and expiration dates of the new stock options remain unchanged from the original stock options. The incremental fair value under ASC 718 as of the date of the Option Exchange for our named executive officers was \$348,356 for Mr. Parker, \$72,559 for Mr. Williams, and \$23,632.92 for Dr. Chen, respectively.

Rule 10b5-1 Sales Plans

Our directors and executive officers may adopt written plans, known as Rule 10b5-1 plans, in which they will contract with a broker to buy or sell shares of common stock on a periodic basis. Under a Rule 10b5-1 plan, a broker executes trades pursuant to parameters established by the director or executive officer when entering into the plan, without further direction from them. The director or executive officer may amend a Rule 10b5-1 plan in some circumstances and may terminate a plan at any time. Our directors and executive officers also may buy or sell additional shares outside of a Rule 10b5-1 plan when they are not in possession of material nonpublic information, subject to compliance with the terms of our insider trading policy.

Non-Employee Director Compensation Policy

Commencing August 12, 2021, our Board of Directors adopted a policy for non-employee director compensation. Under this policy or compensation program, each non-employee director is eligible to receive the following amounts for their services on our Board of Directors:

- Upon the director's initial election or appointment to our Board of Directors, an initial grant of stock options to purchase 40,000 shares of our common stock;
- At the close of business on the date of each annual meeting of the Company's stockholders, each director who will continue to serve as a director will receive a grant of stock options to purchase 20,000 shares of our common stock, vesting upon the one-year anniversary of the grant date;
- An annual director board service retainer of \$35,000;
- If the director is also the chairperson of our Board of Directors, an additional, annual service retainer of \$30,000.

Director fees under the program are payable in arrears in four equal quarterly installments following the end of each calendar quarter in which the service was performed. The amount of each payment will be prorated for any portion of a quarter that a director is not serving on our Board.

Stock options granted to our non-employee directors under the program are granted under the 2021 Plan, have an exercise price equal to the fair market value of our common stock on the date of grant, and expire not later than ten years after the date of grant.

The stock options granted upon a director's initial election or appointment vest in thirty-six substantially equal monthly installments following the date of grant. The stock options granted annually to directors vest in a single installment on the first anniversary of the date of grant. All vesting is subject to the director's Continuous Service (as defined in the 2021 Plan) on each applicable vesting date. In addition, all unvested stock options vest in full for each director who remains in Continuous Service with the Company until immediately prior to the closing of a Change of Control (as defined in the 2021 Plan).

CERTAIN TRANSACTIONS WITH RELATED PERSONS

Policies and Procedures on Transactions with Related Persons

The Board of Directors has adopted a related person transaction policy setting forth the policies and procedures for the identification, review, and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act of 1933, as amended, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which Surrozen and a related person were or will be participants and the amount involved exceeds \$120,000, including purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness and guarantees of indebtedness. In reviewing and approving any such transactions, the Surrozen audit committee will consider all relevant facts and circumstances as appropriate, such as the purpose of the transaction, the availability of other sources of comparable products or services, whether the transaction is on terms comparable to those that could be obtained in an arm's length transaction, management's recommendation with respect to the proposed related person transaction, and the extent of the related person's interest in the transaction.

Employment Agreements

We have entered into employment agreements with certain of our executive officers, including our named executive officers. For more information regarding the agreements with our named executive officers, see "*Executive Compensation—Employment Arrangements*."

- any of Surrozen directors, executive officers or holders of more than 5% of Surrozen outstanding capital stock, or any immediate family member of, or person sharing the household with, any of these individuals or entities, had or will have a direct or indirect material interest.

In connection with the Closing, that certain Registration and Shareholder Rights Agreement, dated November 18, 2020, was terminated, and Surrozen, the Sponsor and certain stockholders of Surrozen (the "Investors") entered into the Investors' Rights

Agreement, dated August 11, 2021, the form of which is attached as an exhibit to the Annual Report and pursuant to which the Investors, subject to certain conditions, will be entitled to registration rights. The Investors include our officers and directors and certain significant stockholders, namely, The Column Group III, L.P., The Column Group III, L.P., The Regents of the University of California and the Sponsor.

UCSF License Agreement

In March 2022, Surrozen entered into a non-exclusive commercial license agreement The Regents of the University of California (“UCSF”), a holder of more than 5% of Surrozen’s capital stock to make and use licensed products identified from the phage display llama VHH single domain antibody library. Under the commercial license agreement, Surrozen paid UCSF a nominal license issue fee. Surrozen agreed to pay a nominal annual license maintenance fee, low five-digit payment per licensed product upon achievement of a regulatory milestone, nominal annual minimum royalties, and earned royalties equal to a sub-single digit percentage of Surrozen’s and Surrozen’s sublicensees’ net sales of licensed products.

For a more detailed description of the UCSF Agreements, see the section of the Annual Report titled “*Business—UCSF License and Option Agreements.*”

Securities Repurchase

On December 12, 2022, Surrozen, Inc. entered into a securities purchase agreement with entities affiliated with Consonance Capital Management LP, collectively the Consonance Entities. Pursuant to the agreement, on December 15, 2022, we repurchased an aggregate of 5,382,499 shares of our common stock and warrants to purchase an aggregate 1,310,496 shares of our common stock from the Consonance Entities for an aggregate purchase price of approximately \$2.7 million. The shares of common stock will be returned to authorized and unissued status and the warrants will be cancelled. Following the repurchase, the Consonance Entities no longer hold any shares of Surrozen common stock or warrants to purchase Surrozen common stock.

Limitations of Liability and Indemnification Matters

The Certificate of Incorporation limits the liability of our current and former directors for monetary damages to the fullest extent permitted by Delaware law. Delaware law provides that directors of a corporation will not be personally liable for monetary damages for any breach of fiduciary duties as directors, except liability for:

- any breach of the director’s duty of loyalty to the corporation or its stockholders;
- any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions; or
- any transaction from which the director derived an improper personal benefit.

Such limitation of liability does not apply to liabilities arising under federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

The Certificate of Incorporation authorizes us to indemnify our directors, officers, employees and other agents to the fullest extent permitted by Delaware law. The Bylaws provide that we are required to indemnify our directors and officers to the fullest extent permitted by Delaware law and may indemnify our other employees and agents. The Bylaws also provide that, on satisfaction of certain conditions, we will advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. We have entered and expect to continue to enter into agreements to indemnify our directors and executive officers. With certain exceptions, these agreements provide for indemnification for related expenses including attorneys’ fees, judgments, fines and settlement amounts incurred by any of these individuals in connection with any action, proceeding or investigation. We believe that the Certificate of Incorporation and Bylaws provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers. We also maintain customary directors’ and officers’ liability insurance.

The limitation of liability and indemnification provisions in our Certificate of Incorporation and Bylaws may discourage stockholders from bringing a lawsuit against our directors for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder’s investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted for directors, executive officers or persons controlling us, we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is therefore unenforceable.

STOCKHOLDER PROPOSALS AND DIRECTOR NOMINATIONS

Stockholders who intend to have a proposal considered for inclusion in our proxy materials for presentation at our annual meeting of stockholders to be held in 2024 (the “2024 Annual Meeting”) pursuant to Rule 14a-8 under the Exchange Act must submit the proposal to our Corporate Secretary at our offices at 171 Oyster Point Blvd., Suite 400, South San Francisco, California 94080, in writing not later than December 8, 2023.

Stockholders intending to present a proposal at our 2024 Annual Meeting, but not to include the proposal in our proxy statement, or to nominate a person for election as a director, must comply with the requirements set forth in our Bylaws. Our Bylaws require, among other things, that our Corporate Secretary receive written notice from the stockholder of record of their intent to present such proposal or nomination not earlier than the close of business on the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the preceding year’s annual meeting of stockholders. Therefore, we must receive notice of such a proposal or nomination for the 2024 Annual Meeting no earlier than the close of business on January 19, 2024 and no later than the close of business on February 19, 2024. The notice must contain the information required by our Bylaws. In the event that the date of the 2024 Annual Meeting is more than 30 days before or more than 30 days after May 18, 2024, then our Secretary must receive such written notice not earlier than the close of business on the 120th day prior to the 2024 Annual Meeting and not later than the close of business of the 90th day prior to the 2024 Annual Meeting or, if later, the 10th day following the day on which public disclosure of the date of such meeting is first made by us. SEC rules permit management to vote proxies in its discretion in certain cases if the stockholder does not comply with this deadline and, in certain other cases notwithstanding the stockholder’s compliance with this deadline.

We reserve the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these or other applicable requirements.

In connection with our solicitation of proxies for our 2024 annual meeting of stockholders, we intend to file a proxy statement with the SEC. Stockholders may obtain our proxy statement (and any amendments and supplements thereto) and other documents as and when filed with the SEC without charge from the SEC’s website at: www.sec.gov.

In addition to satisfying the foregoing requirements under our Bylaws, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than the Company’s nominees must provide notice that sets forth the information required by Rule 14a-19 of the Exchange Act no later than March 19, 2024.

HOUSEHOLDING

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and notices with respect to two or more stockholders sharing the same address by delivering a single proxy statement or a single notice addressed to those stockholders. This process, which is commonly referred to as “householding,” provides cost savings for companies and helps the environment by conserving natural resources. Some brokers household proxy materials, delivering a single proxy statement or notice to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, or if your household is receiving multiple copies of these documents and you wish to request that future deliveries be limited to a single copy, please notify your broker. You can also request prompt delivery of a copy of this Proxy Statement and the Annual Report by contacting the Broadridge Financial Solutions, Inc. at (866) 540-7095 or in writing at Broadridge, Household Department, 51 Mercedes Way, Edgewood, New York 11717.

2022 ANNUAL REPORT

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2022 has been filed with the SEC. It is available free of charge at the SEC’s website at www.sec.gov. Stockholders can also access our Annual Report at www.proxyvote.com. Upon written request by a stockholder, we will mail without charge a copy of our Annual Report on Form 10-K, including the financial statements and financial statement schedules, but excluding exhibits. Exhibits to the Annual Report on Form 10-K are available upon payment of a reasonable fee, which is limited to our expenses in furnishing the requested exhibit.
