#### **Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On April 12, 2021, the Securities and Exchange Commission (the “SEC”) released a public statement (the “Public Statement”) informing market participants that warrants issued by special purpose acquisition companies (“SPACs”) may require classification as a liability of the entity measured at fair value, with changes in fair value each period reported in earnings. Consonance-HFW Acquisition Corp. (the “Company” or “CHFV”) has previously classified its private placement warrants and public warrants (collectively, the “warrants”) as equity. For a full description of the Company’s warrants, please refer to the Company’s final prospectus filed in connection with its initial public offering (“IPO”) on November 23, 2020 (“Final Prospectus”).

On May 13, 2021, management of the Company and the Audit Committee of the Board of Directors of the Company determined that the Company’s previous audited balance sheet related to its IPO on November 23, 2020, its unaudited financial statements for the period August 21, 2020 (inception) through September 30, 2020 filed on Form 10-Q and its audited financial statements for the period August 21, 2020 (inception) through December 31, 2020 filed on the Company’s Annual Report on Form 10-K and Form 10-K/A (the “Affected Periods”) should no longer be relied upon due to changes required for alignment with the SEC’s Public Statement. The SEC’s Public Statement discussed “certain features of warrants issued in SPAC transactions” that “may be common across many entities.” The Public Statement indicated that when one or more of such features is included in a warrant, the warrant “should be classified as a liability measured at fair value, with changes in fair value each period reported in earnings.” Following consideration of the guidance in the Public Statement, while the terms and quantum of the warrants as described in the Final Prospectus have not changed, the Company concluded the warrants do not meet the conditions to be classified in equity and instead, the warrants meet the definition of a derivative under ASC 815, under which the Company should record the warrants as liabilities on the Company’s balance sheet. The Company has discussed this approach with its independent registered public accounting firm, Marcum LLP, and intends to file an amendment to its Annual Report on Form 10-K and Form 10-K/A for the year ended December 31, 2020 filed with the SEC on March 31, 2021 (the “Amended 10-K”) reflecting this reclassification of the warrants. The Company worked with an independent valuation expert to finalize the valuation of the warrants and will file the Amended 10-K as soon as practicable. The adjustments to the financial statement items for the Affected Periods will be set forth through expanded disclosure in the financial statements included in the Amended 10-K, including further describing the restatement and its impact on previously reported amounts.

#### **Item 8.01. Other Events.**

An extraordinary general meeting of the Company’s shareholders is expected to be scheduled for shareholders’ consideration of the Company’s initial business combination with Surrozen, Inc. (the “Business Combination”) and the other proposals which will be described in its proxy statement/prospectus relating to the business combination to be filed with the SEC. As noted above, the terms and quantum of the warrants and all other securities issued by the Company have not changed and the restatement is not indicative of any change in management’s expectations regarding the business prospects for the Company. The restatement is required for alignment with the SEC’s Public Statement and would be undertaken regardless of the completion of the business combination. For those and other reasons, the Company does not believe the restatement should materially impact its shareholders’ consideration of the business combination proposal and other proposals to be considered and voted upon at the meeting.

#### **Additional Information**

In connection with the Business Combination, the Company intends to file with the SEC a Registration Statement on Form S-4 (the “Registration Statement”), which will include the prospectus noted above with respect to the securities of CHFV to be issued in connection with the Business Combination to Surrozen stockholders and as well as a proxy statement with respect to the shareholder meeting of CHFV to vote on the Business Combination and related matters. CHFV will mail a definitive proxy statement/final prospectus and other relevant documents to its shareholders after the Registration Statement is declared effective by the SEC. This communication is not a substitute for the Registration Statement, the definitive proxy statement/final prospectus or any other document that CHFV will send to its shareholders in connection with the Business Combination. The definitive proxy statement/final prospectus will contain important information about CHFV, Surrozen and their respective business and related risks, the combined company, including pro forma financial information and the proposed Business Combination and related matters. **Investors and security holders of CHFV are advised to read, when available, the proxy statement/prospectus in connection with CHFV’s solicitation of proxies for its extraordinary general meeting of shareholders to be held to approve the Business Combination (and related matters) because the proxy statement/prospectus will contain important information about the Business Combination and the parties to the Business Combination. Investors and security holders of Surrozen are advised to read, when available, the proxy statement/prospectus in connection with the written consent of Surrozen stockholders.** The definitive proxy statement/final prospectus will be mailed to shareholders of CHFV as of a record date to be established for voting on the Business Combination. Shareholders will also be able to obtain copies of the proxy statement/prospectus, without charge, once available, at the SEC’s website at [www.sec.gov](http://www.sec.gov) or by directing a request to: Consonance-HFW Acquisition Corp., 1 Palmer Square, Suite 305, Princeton, NJ.

## Participants in the Solicitation

CHFV, Surrozen and their respective directors, executive officers, other members of management, and employees, under SEC rules, may be deemed to be participants in the solicitation of proxies of CHFV's shareholders in connection with the Business Combination. Investors and security holders may obtain more detailed information regarding the names and interests in the Business Combination of CHFV's directors and officers in CHFV's filings with the SEC, including the Registration Statement to be filed with the SEC by CHFV, which will include the proxy statement of CHFV for the Business Combination, and such information and names of Surrozen's directors and executive officers will also be in the Registration Statement to be filed with the SEC by CHFV, which will include the proxy statement of CHFV for the Business Combination.
